Dear Mr. Arnold:

On behalf of the Daughters of the Republic of Texas, I'd like to thank you for the outstanding quality of service that Intrepid has provided during the past two years. Throughout the installation of our integrated alarm systems, you and your staff members demonstrated great technical expertise and personal commitment. We appreciate the careful planning and extraordinary efforts that were required to overcome obstacles and meet the specific needs of the Alamo. We also appreciate your continuous attention and responsive actions in monitoring, maintaining, and upgrading system components.

Protecting and preserving the Alamo for future generations is an enormous responsibility. The Alamo Rangers feel very fortunate that you are a partner in that effort and we look forward to a long-term relationship. Meanwhile, Intrepid Security and Protection will have my highest recommendation.

Sincerely,

V. Phillips
Chief, Alamo Rangers
